FACTS:

Your complainant is a Court Officer with the Wisconsin Department of Justice and for this complaint is relying on the written reports submitted by Special Agents Anna King and Ricardo Tijerino.

S/A King reports on March 9, 2011, at approximately 11:00 p.m., she received information from Special Agent In Charge, Jennifer Price, that an unknown subject sent two e-mail messages to Wisconsin Government Officials threatening actions that would cause death or great bodily harm.

S/A King reports on March 10, 2011, she received and reviewed the e-mail messages and found the content to be threatening in nature. The first e-mail was sent from user account name "Lisa Patterson" with an email account address of lessylisa@gmail.com. The message was sent on Wednesday, March 9, 2011, at 8:08 p.m., to Sen.Cowles@legis.wisconsin.gov. The receiving e-mail account is utilized by Wisconsin State Senator Robert Cowles and the message content is as follows:

I want to make this perfectly clear. Because of your actions today and in the past couple of weeks I and the group of people that are working with me have decided that we've had enough. We feel that you and your republicans dictators have to die. This is how it's going to happen: I as well as many others know where you and your family live, it's a matter of public records. We have all planned to assault you by arriving at your house and putting a nice little bullet in your head. However, this isn't enough. We also have decided that this may not be enough to send the message. So we have built several bombs that we have placed in various locations around the areas in which we know that you frequent. This includes, your house, your car, the state capitol, and well I won't tell you all of them because that's just no fun. Since we know that you are not smart enough to figure out why this is happening to you we have decided to make it perfectly clear to you. If you and your goonies feel that it's necessary to strip the rights of 300,000 people and ruin their lives, making

them unable to feed, clothe, and provide the necessities to their families and themselves then We will "get rid of" (in which I mean kill) the 8 of you. Please understand that this does not include the heroic Senator that risked everything to go against what you and your goonies wanted him to do. The 8 includes the 7 senators and the dictator. We feel that it's worth our lives because we would be saving the lives of 300,000 people. Please make your peace with God as soon as possible and say goodbye to your loved ones we will not wait any longer. Goodbye ASSHOLE!!!!

The second e-mail was sent from user account name "Lisa Patterson" with an email account address of lessylisa@gmail.com, and a subject line of Atten: Death threat!!!! Bomb!!!! The e-mail was sent on Wednesday, March 9, 2011, at 10:18 p.m., to the following Wisconsin State Senators' e-mail accounts:

Sen.kapanke@legis.wisconsin.gov; Sen.darling@legis.wisconsin.gov;
Sen.Cowles@legis.wisconsin.gov; Sen.Ellis@legis.wisconsin.gov;
Sen.fitzgerald@legis.wisconsin.gov; Sen.Galloway@legis.wisconsin.gov;
Sen.Grothman@legis.wisconsin.gov; Sen.harsdorf@legis.wisconsin.gov;
Sen.Hopper@legis.wisconsin.gov; Sen.kedzie@legis.wisconsin.gov;
Sen.Lasee@legis.wisconsin.gov; Sen.lazich@legis.wisconsin.gov;
Sen.leibham@legis.wisconsin.gov; Sen.Moulton@legis.wisconsin.gov;
Sen.olsen@legis.wisconsin.gov;

Please put your things in order because you will be killed and your families will also be killed due to your actions in the last 8 weeks. Please explain to them that this is because if we get rid of you and your families then it will save the rights of 300,000 people and also be able to close the deficit that you have created. I hope you have a good time in hell. Read below for more information on possible scenarios in which you will die.

WE want to make this perfectly clear. Because of your actions today and in the past couple of weeks I and the group of people that are working with me have decided that we've had enough. We feel that you and the people that support the dictator have to die. We have tried many other ways of dealing with your corruption but you have taken things too far and we will not stand for it any longer. So, this is how it's going to happen: In as well as many others know where you and your family live, it's a matter of public records. We have all planned to assault you by arriving at your house and putting a nice little bullet in your head. However, we decided that we wouldn't leave it there. We also have decided that this may not be enough to send the message to you since you are so "high" on Kuch and have decided that you are now going to single handedly make this a dictatorship instead of a democratic process. So we have also built several bombs that we have placed in various locations around the areas in which we know that you frequent. This includes, your house, your car, the state capitol, and well I won't tell you all of them because that's just fun. Since we know that you are not smart enough to figure out why this is happening to you we have decided to make it perfectly clear to you. If you and your goonies feel that it's necessary to strip the rights of 300,000 people and ruin their lives, making them unable to feed, clothe, and

provide the necessities to their families and themselves the We Will “get rid of” (in which I mean kill) you. Please understand that this does not include the heroic Rep. Senator that risked everything to go against you and your goonies wanted him to do. We feel that it’s worth our lives to do this, because we would be saving the lives of 300,000 people. Please make your peace with God as soon as possible and say goodbye to your loved ones we will not wait any longer. YOU WILL DIE!!!!
